certification and administration.

(1) The applicant shall properly prepare, sign, and submit to the film office an application
for initial certification of the theater production. The application shall include such information
and data as the film office deems reasonably necessary for the proper evaluation and
administration of said application, including, but not limited to, any information about the theater
production company and a specific Rhode Island live theater or musical production. The film
office shall review the completed application and determine whether it meets the requisite criteria
and qualifications for the initial certification for the production. If the initial certification is

granted, the film office shall issue a notice of initial certification of the accredited theater
production to the theater production company and to the tax administrator. The notice shall state
that, after appropriate review, the initial application meets the appropriate criteria for conditional
eligibility. The notice of initial certification will provide a unique identification number for the
production and is only a statement of conditional eligibility for the production and, as such, does
not grant or convey any Rhode Island tax benefits.

(2) Upon completion of an accredited theater production, the applicant shall properly
prepare, sign, and submit to the film office an application for final certification of the accredited
theater production. The final application shall also contain a cost report and an "accountant's
certification." The film office and tax administrator may rely without independent investigation,
upon the accountant's certification, in the form of an opinion, confirming the accuracy of the
information included in the cost report. Upon review of a duly completed and filed application
and upon no later than thirty (30) days of submission thereof, the division of taxation will make a
determination pertaining to the final certification of the accredited theater production and the
Accredited Theater Production Certificate; and (ii) A tax credit certificate in an amount in accordance with this section (b) hereof. A musical and theatrical production company is prohibited from using state funds, state loans, or state guaranteed loans to qualify for the motion picture tax credit. All documents that are issued by the film office pursuant to this section shall reference the identification number that was issued to the production as part of its initial certification.

(4) The director of the department of administration, in consultation as needed with the tax administrator, shall promulgate such rules and regulations as are necessary to carry out the intent and purposes of this chapter in accordance with the general guidelines provided herein for the certification of the production and the resultant production credit.

(5) If information comes to the attention of the film office that is materially inconsistent with representations made in an application, the film office may deny the requested certification. In the event that tax credits or a portion of tax credits are subject to recapture for ineligible costs and such tax credits have been transferred, assigned, and/or allocated, the state will pursue its recapture remedies and rights against the applicant of the theater production tax credits. No redress shall be sought against assignees, sellers, transferees, or allocates of such credits.

(d) Information requests.

(i) The director of the film office, and his or her agents, for the purpose of ascertaining the correctness of any credit claimed under the provisions of this chapter, may examine any books, paper, records, or memoranda bearing upon the matters required to be included in the return, report, or other statement, and may require the attendance of the person executing the return, report, or other statement, or of any officer or employee of any taxpayer, or the attendance of any other person, and may examine the person under oath respecting any matter that the director, or his or her agent, deems pertinent or material in administration and application of this chapter and where not inconsistent with other legal provisions, the director may request information from the tax administrator.

(ii) The tax administrator, and his or her agents, for the purpose of ascertaining the correctness of any credit claimed under the provisions of this chapter, may examine any books, paper, records, or memoranda bearing upon the matters required to be included in the return, report, or other statement, and may require the attendance of the person executing the return, report, or other statement, or of any officer or employee of any taxpayer, or the attendance of any other person.
